It's the fallin in love, that's makin me high
It's the wondering around, that's makin me cry
Every night I'm away, there is nothin I can do about it
You've got to know, what I mean, when I ask do you
love me?

Say, say you will be mine,
I need you by my side
True love is so hard to find
Say, say you will be mine,
You're always on my mind, until the very end of time

It's the being in love, that's makin me blue
It's the dreamin of you, that's makin me happy
Every minute of today seems like yesteday can't belive
that I feel this way
For my heart can't wait, so listen to me I'm fallin for you
now

Say ohhh say ohhh!
Say, say you will be mine,
I need you by my side
True love is so hard to find
Say, say you will be mine,
You're always on my mind, until the very end of time

Say, say you will be mine (say you will be)
I need you by my side (by my side)
True love is so hard to find
Say, say you will be mine (say you will be)
You're always on my mind (always on my mind)
Until the very end of time (time...)
