(Verse 1)

I tryed to call yo number
Tryed to get a hold of you
But you wont listen anyway
What can i do
Im trying to reach you lately
No matter what we'll be
I will always be around you
Can't you see

(Chours)

Will you be my friend
To spoil my name
And i'll be yours forever
You can count on me
Until the very end
Will you be my friend
And tell your heart
That we belong together
Find out wait and see
Your more than just a friend

(Verse 2)

Happens like a baby
Im cryin in the night
Never felt this way before
Give of us a try
You might have your lover
You might have your fun
After all you'll be
The Lonely One

(Chours)

Its time to take a stand
I dont need your symphany
Looking for a friend
Hoped you'd be

(Chours)
