I can't wait for the weekend to begin

I'm workin' all week long
I dream the days away
I wanna' sing my song
So let the music play

I have to get my kicks and fly tonight
And when the clock strikes 6 on Fri-day night
I need to blow it all away

I can't wait for the weekend to begin
I can't wait for the weekend to begin

I make it - what I can
I try I try
I'm shakin' - up my plan
And I get by

I'm savin' all my soul
And all my pain
So I can lose control
On Sa-turday
I'm gonna' blow it all away

I can't wait for the weekend to begin
I can't wait for the weekend to begin

(Breakdown)

I can't wait for the weekend to begin
For the weekend to begin
Begin (x13)

(Crescendo)

I can't wait for the weekend to begin

I got to get my fix
And fly tonight
And when the clock strikes 6
On Fri-day night

I'm gonna' blow it all away

I can't wait for the weekend to begin

I can' I can'

I can't wait for the weekend to begin

I can' I can't

I can't wait for the weekend to begin
