Oh the piccolo plays and the banjo plunks and the bass  
drum goes [two drum beats]

Oh the piccolo plays and the banjo plunks and the bass  
drum goes [two drum beats]

I've got a little brass band that plays inside my heart  
I've got a little brass band that plays inside my heart  
Each time I look at you that crazy band'll start

That crazy little brass band starts jumping when we  
meet

That crazy little brass band starts thumping when we  
meet

And when I hold your hand they really feel the beat  
And then the piccolo plays and the banjo plunks and  
the bass drum goes [two drum beats]

Oh the piccolo plays and the banjo plunks and the bass  
drum goes [two drum beats]

I've got a little brass band that rocks each time we kiss  
I've got a little brass band that rolls each time we kiss  
Come on and be my love and then you'll never miss  
The way the piccolo plays and the banjo plunks and the  
bass drum goes [two drum beats]  
Oh the piccolo plays and the banjo plunks and the bass  
drum
