I'm just sittin in a vacant lot with a bird sittin on my head

I'm just sittin in a vacant lot with a bird sittin on my head

Wicked, wicked, cruel, cruel world

What have you done to me?

I belong in someones arms

Wicked, wicked, cruel, cruel world

This is no kind of life

I should have a house and bed

Were just sittin in a vacant lot and we haven't got a dime

The bird and me, lonely as can be, were together all the time

Wicked, wicked, cruel, cruel world

What have you done to me?

I belong in someones arms

Wicked, wicked, cruel, cruel world

What I say is no lie

Weve been sittin here so long

I'm just sittin in a vacant lot

The things we want we haven't got need a tree and house and bed

Wicked, wicked, cruel, cruel world

What have you done to me?

And he belongs in a tree

Wicked, wicked, cruel, cruel world

This is no kind of life

And he should have him a wife

Wicked, wicked, cruel, cruel world

What have you done to me?

I belong in someones arms
