You told me I was the one  
The only one who got your head undone  
And for a while I believed the line that you spun

But I've been looking at you  
Looking closely at the things you do  
I didn't see it the way you wanted me to

How, how, howzat/  
You messed about  
I caught you out  
Howzat?  
Now that I found where you're at, it's goodbye  
Well, howzat?  
It's goodbye

You only came for a smile  
Even though you're really not my style  
I didn't think that you'd run me 'round like you do

How, how, howzat?  
You messed about  
I caught you out  
Howzat?  
Now that I found where you're at, it's goodbye  
Well, howzat?  
It's goodbye

Well, I've been looking at you  
(I'll tell you what I see)  
Looking closely at the things you do  
(No you can't fool me)  
I didn't see it the way you wanted me to

How, how, howzat?  
You messed about  
I caught you out  
Howzat?  
Now that I found where you're at, it's goodbye

Howzat?  
You messed about

I caught you out  
Howzat?  
Now that I found where you're at, it's goodbye  
Well, howzat?  
Goodbye

(Goodbye, goodbye, goodbye, goodbye, goodbye,  
goodbye, goodbye, goodbye, goodbye)
