Walk a mile in my tennis shoes
Tina Turner gave me the highway blues
But I don't love nobody, nobody but you now, honey
I'm a true rat for the things that I've done
Second cousin to a son of a gun
I'm gonna wipe out your mama if she puts me on now,
honey

'Cause I'm a midnight creeper
Ain't gonna lose no sleep over you
When there's a nightmare, I'm there
Tempting you to blow a fuse

Well, there's no more sleeping
When I'm midnight creeping over you
Watch out, honey, watch out, honey
Watch the things you do

Long haired [Incomprehensible], well, they look so fine
Locked in my cellar full of cheap red wine
But I don't think those [Incomprehensible] really do
mind now, honey
I still don't know why you hate me so
A little bit of fun never stopped no show
Well, I just want to loosen up my soul now, honey

'Cause I'm a midnight creeper
Ain't gonna lose no sleep over you
When there's a nightmare I'm there
Tempting you to blow a fuse

Well, there's no more sleeping
When I'm midnight creeping over you
Watch out, honey, watch out, honey
Watch the things you do

'Cause I'm a midnight creeper
Ain't gonna lose no sleep over you
When there's a nightmare I'm there
Tempting you to blow a fuse

Well, there's no more sleeping

When I'm midnight creeping over you
Watch out, honey, watch out, honey
Watch the things you do

Watch out, honey
