CATHERINE/CATHY:

"I guess I can't believe you really came
And that we're sitting on this pier
See, I'm smiling
That means I'm happy that you're here

I stole this sweater from a costume shop
It makes me look like Daisy Mae
See, we're laughing
I think we're gonna be okay.

I mean, we'll have to try a little harder
And bend things to and fro
To make this love as special
As it was five years ago
I mean, you made it to Ohio!
Who knows where else we can go

I think you're really gonna like this show
I'm pretty sure it doesn't suck
See, you're laughing and I'm smiling
By a river in Ohio
And you're mine
We're doing fine

I think we both can see what could be better
I'll own when I was wrong
With all we've had to go through
We'll end up twice as strong
And so we'll start again this weekend
And just keep rolling along

I didn't know you had to go so soon
I thought we had a little time
Look, whatever, if you have to
Then you have to, so whatever
It's all right
We'll have tonight

*spoken*You know what makes me crazy?
I'm sorry, can I say this?

"You know what makes me nuts?
The fact that we could be together
Here together
Sharing our night
Spending our time
And you are gonna choose someone else to be with
No, you are
Yes, Jamie, that's exactly what you're doing:
You could be here with me
Or be there with them
As usual, guess which you pick

No, Jamie, you do not have to go to another party
With the same twenty jerks you already know
You could stay with your wife on her fucking birthday
And you could, God forbid, even see my show
And I know in your soul it must drive you crazy
That you won't get to play with your little girlfriends"

spoken No I'm not, no I'm not!
And the point is, Jamie,
That you can't spend a single day that's not about

"You and you and nothing but you
"Mahvelous" novelist, you!
Isn't he wonderful, just twenty-eight
The savior of writing
You and you and nothing but you
Miles and piles of you
Pushing through windows and bursting through walls
En route to the sky
And I..."

I swear to God I'll never understand
How you can stand there straight and tall
And see I'm crying
And not do anything at all"
