I was trapped in a castle tower  
Locked up in chains  
I waited for my prince to save me  
But he never came

I woke up with my heart pounding  
Convinced that I was cursed  
I picked up a romance novel  
And read the last page first

Oh, oh, oh it's me  
I want to fall in love so hard it hurts  
I want the kind of love that moves the earth  
Oh, I want more than I can take  
Till my poor heart starts to ache  
I want to fall in love so hard it hurts

I took a ride with a guy from Tupelo  
In his Chevrolet  
He said, "Baby, we're moving way too fast  
And slammed on the brakes"

We got out and he lit a cigarette  
We didn't say too much  
He packed up his emotional baggage  
And left me in the dust

Oh, oh, it's me  
I want to fall in love so hard it hurts  
I want the kind of love that moves the earth  
I want more than I can take  
Till my poor heart starts to ache  
I want to fall in love so hard it hurts

Oh, oh, it's me  
I want to fall in love so hard it hurts  
I want the kind of love that moves the earth  
Oh, I want more than I can take  
Till my poor heart starts to ache  
I want to fall in love

I want to fall in love

I want to fall in love so hard it hurts
