I bought myself some sexy lingerie, but I'm gonna take
it back

'Cause the only ones who have seen it on me are the
sales girl and my cat

Saturday night and I'm alone again

Yeah it's always the same old thing

Well that telephone and my left hand

Is still waiting on a ring

I've got a loving heart

And people say I'm pretty smart

It shouldn't have to be this hard

If I was a man

I'd be sending me flowers

Wouldn't rush out of bed

No, I'd hold me for hours

Wouldn't run around town

And leave my baby at home

Wouldn't mind me a girl

With some meat on her bones

I'd love me just as I am

If I was a man

Well I tucked and plucked and done all I can, tryin' to
look like a movie star

But I'm washing off this spray-on tan and I'm burning
my push-up bra

I've got two sweet lips

Just aiming to be kissed

But lately it's been hit and miss

If I was a man

I'd be sending me flowers

Wouldn't rush out of bed

No, I'd hold me for hours

Wouldn't run around town

And leave my baby at home

Wouldn't mind me a girl

With some meat on her bones

I'd love me just as I am

If I was a man

If I was a man

I'd be sending me flowers

Wouldn't rush out of bed

No, I'd hold me for hours

But then again the sensitive kind

The watch a sad movie

Would probably leave me for some other guy

If I was a man

If I was a man

Oh, if I was a man
