Hey, there little darling, it's cold an we got no place  
to go

I could be your Santa, come and stand under the  
mistletoe

I got a feeling it won't take too long  
For me to find out what list your on

Is it naughty or nice, oh, you better check it twice  
Says you've been bad, bad, bad, but you do it oh so  
good

I just might, You just might  
Need a little hugging and kissing to help me make up  
my mind  
But I got to say I love you either way naughty or nice

Hey, there sweet baby, come a little closer to me  
Let's get tangled up in tinsel underneath the Christmas  
tree

Well, there might be a few things I missed  
I better take another look at my list

Is it naughty or nice (probably a little nice), oh, you  
might check it twice  
Says you have been bad, bad, bad, but you do it so  
good

I just might , You just might  
Need a little hugging and kissing to help me make up  
my mind  
But I got to say I love you either way naughty or nice

You've been a little bad girl  
But you know you like it  
Yeah, I like it. I like it

Is it naughty or nice, (Well, what do you think) you  
better check it twice (come here, let me check your  
temperature)

Says you have been bad, bad, bad, but you do it so  
good  
I just might , You just might  
Need a little hugging and kissing to help me make up  
my mind

But I got to say I love you either way naughty or nice

Oh, I got to say I love you either way naughty or nice

Get over here under this mistletoe.
