See our picture on the wall  
Why were we smiling  
I can't seem to recall?  
Remind me

Do you see this wedding band  
Wasn't it once worth more  
Than just gold on my hand?  
Remind me

I don't care who's right or wrong  
But my memory of love is all but gone  
Won't you take me in your arms  
And remind me?

You criticize and accuse  
Oh, but honey, you've had amnesia too  
Kiss me like you used to do  
And remind me

It's a short walk to that door  
But didn't we have something good  
That's still worth fighting for?  
Remind me

'Cause I don't care who's right or wrong  
But my memory of love is all but gone  
Won't you take me in your arms  
And remind me?

You criticize and accuse  
Oh, but honey, you've had amnesia too  
Kiss me like you used to do  
And remind me, yeah, yeah, oh

How did we end up this way, me against you?  
In love one is never to blame, it always takes two

I don't care who's right or wrong  
But my memory of love is all but gone  
Won't you take me in your arms  
And remind me?

You criticize and accuse  
Oh, but honey, you've had amnesia too  
So kiss me like you used to do  
And remind me  
Kiss me like you used to do  
And remind me

Do you remember, my dear  
The first time we made love?  
Come over here  
And let me remind you
