"Waves"

There's a wave of emotion in my heart tonight
Calling you
There's a little piece of heaven in the sky tonight
Breaking through
Like a rider on the storm
A feather tossed and torn
A veil that's never drawn
A love that would be worn on your face
On your face

We're living on tidal waves
Living in desperate days
Sail on, sail on
Living on vital waves
Looking for love hat saves
Sail on, sail on all these waves

There's an ocean of silence in my rom tonight
Drowning me
There's a runaway dream in my heart tonight
Breaking free
Like a rider on the storm
A feather tossed and torn
A veil that's never drawn
A love that should be worn on your face
On your face

We're living on tidal waves
Living in desperate days

Sail on, sail on
Living on vital waves
Looking for love hat saves
Sail on, sail on all these waves

Sail on, sail on these waves
Sail on sail on these waves
Waves in the body
Waves in the soul
Waves in the rhythm of the love that we hold
Waves on the tide
Waves in the air

Waves that surround us everywhere
Waves in the mind
Waves in the hand
Waves of emotion like waves of sand
Waves, waves....

We're living on tidal waves
Living in desperate days
Sail on, sail on
Living on vital waves
Looking for love hat saves
Sail on, sail on all these waves
