I don't know how you do it
I swear you act just like there's nothing to it
And you do it so naturally and I don't know how you
take it
Sometimes I'm not so sure we're gonna make it
But you keep your faith in me

Oh and there are nights we lose the touch
And days that come and go so fast
And times that it takes all we got
To try and make the feeling last
But you keep on lovin' me
You keep on lovin' me, yeah

And I know I've hurt you sometimes
Thoughtlessly I call you names and criticize
But you take it all in stride, oh yeah, still you come
around
Though I know there've been times I've let you down
But here you stand by my side

Oh and there are nights we lose the touch
And days that come and go so fast
And times that it takes all we got
To try and make the feeling last
But you keep on lovin' me
You keep on lovin' me, yeah

Oh and there are nights we lose the touch
And days that come and go so fast
And times that it takes all we got
To try and make the feeling last
But you keep on lovin' me
You keep on lovin' me, yeah

You keep on lovin' me
You keep on lovin' me, yeah
You keep on lovin' me, oh yeah
