I don't even know if I can cry  
Been so long, it seems like I've run dry

Something in your eyes tonight, looked into my soul  
Saw the years of breaking down have taken its toll  
So I'm leaning on you now into the night

Don't let go, don't let go  
Don't wanna let you go

Now I'm on the rocks, I see your lie  
I don't need my wings to take this flight

I know I can fly  
Nothing happens on its own, fate is just a word  
You make me a better man, does that sound absurd?  
And you look into my eyes and softly say

Don't let go, don't let go  
I don't wanna let you go

You are the light in me, pull me in and set me free  
You always let me know  
Hold me tight and don't let go

Don't let go, don't let go  
Don't wanna let you go  
Don't let go, don't let go  
Don't wanna let you go

Don't let go, don't let go, don't let go  
Don't let go, don't let go, don't let go  
Baby, don't let go, don't let, don't let go  
Don't let, don't let go, don't let go
