Oooooooh

Looking outside my window frame  
The world looks cold today  
And Iâ€™m thinking â€™bout the things I think of you  
That I never got the chance to say  
Take care of yourself my dear  
Your plane's got special cargo on board  
Keep yourself in good health my dear  
You will always be adored

CHORUS

So fly safe  
Fly free  
You can be whatever you want to be  
And Iâ€™m safe, youâ€™ll see  
And Iâ€™m thinking â€™bout the day that you come flying,  
flying back to me

So Iâ€™m looking closely at you finger nails  
Thinking â€™bout times gone by  
And Iâ€™m holding you close and Iâ€™m smelling your hair  
Feels so beautiful I crying  
Take care of yourself my dear  
Thereâ€™s a long way to go  
Keep yourself in good health my dear  
You return you will know

CHORUS

And I know that you're far away  
And I know that some fine day  
Youâ€™ll be the one for me  
Until that day fly free  
Soâ€™...

CHORUS (x2)
