I'm Fine-----

Everything is wonderful and everything is sweet
Its natural to share a smile with everyone we meet
And the sun shines higher and brighter each day
And I just cant to laughing, all my worries fade away

Everything is beautiful, the girls are everywhere
TheyÂ're running in slow motion and I cant help but stare
ItÂ's the simple things youÂ'll remember till you die
Like lazing in the summer and laughing till you cry

And its fine, weÂ're singing in the street
And its fine, thereÂ's grass beneath my feet
ThereÂ's a thousand little problems disappearing as we speak
And I just love this feeling, IÂ'm fine, IÂ'm fine

Well people come and listen while we sing our song
We used to take their money, now they sing along
All are friends are hear just to have a little fun
Nothing seems to matter when youÂ're chilling in the sun, in the sun

And its fine, weÂ're singing in the street
And itÂ's fine, thereÂ's grass beneath my feet
ThereÂ's a thousand little problems disappearing as we speak
And I just love this feeling (x2)

Â'Coz IÂ'm fine
And I just love this feeling
IÂ'm fine (x3)
