There is no reason to fall inside
Nowhere to go, nowhere left to hide
Â'Cos you canÂ't hide
Â'Cos its all inside your mind

YouÂ've been keeping it all too long
We all need someone, no ones that strong
Though you think your strong
Well it wonÂ't be long till you find

SomethingÂ's gotta give now
Gonna blow your mind out
Girl youÂ've gotta sit down
Girl youÂ've gotta chill out
Why you trying tÂ'do it alone?

CHORUS

Nowhere to run to
ThereÂ's someone to turn to
Everything will be fine Â- IÂ'm on your side
Someone who knows you
IÂ've something to show you
Everything will be fine Â- IÂ'm on your side

IÂ'd love to tell you itÂ's all OK
But life is hard, it donÂ't work that way
If you take your time
ItÂ'll work out fine

You know what to do now
You can find find your way out
Girl youÂ've gotta slow down
Girl youÂ've gotta breath out
Why you trying tÂ'do this alone?

CHORUS

SomethingÂ's gotta give now
Gonna blow your mind out
Girl youÂ've gotta sit down
Girl youÂ've gotta chill out
Why you trying tÂ'do it alone?

CHORUS

Well Iâ€™m on your side (x2)
And everythingâ€™s all right â€“ Iâ€™m on your side
