Gotta let it ride  
We're holding on too tight  
You need to smile again- so do I  
Can't be tied down in chain  
I love you still everyday  
My spirit fades away  
I know I keep drowning you're pushing me under  
You've got to let me breathe for myself  
Freedom's not a betrayal  
It's part of life so let it ride  
Whentry to be your fantasy  
I'm not someone I like  
I wish you'd see how much we need to  
Smile again  
See you smile again  
Been far too long since we smiled again  
Smile again  
See you smile again  
I'd give my world just to try  
Slow the whole thing down  
Take a look around  
Is this as good as we're gonna get?  
Can't be tied down in chain  
I love you still everyday  
My spirit fades away  
Whentry to be your fantasy  
I'm not someone I like  
I wish you'd see how much we need to  
Smile again  
See you smile again  
Been far too long since we smiled again  
Smile again  
See you smile again  
I'd give my world just to try  
Whentry to be your fantasy  
I'm not someone I like  
I wish you'd see how much we need to  
Smile again  
See you smile again  
Been far too long since we smiled again  
Smile again  
See you smile again

I'd give my world, give my world just to  
Smile again  
See you smile again  
Been far too long since we smiled again  
Smile again  
See you smile again  
I'd give my world...
