It's early in the morning  
and its starting to get light  
my empty head is pounding  
and i'm longing for the night  
and i have never come this far  
my life's been like a pantomime  
for the longest time

you'll find it kind of funny  
and you might wanna smile  
but when you see my eyes  
they're crying for a while  
and i have never told you why  
my life's an empty bottle of wine  
for the longest time

whenever i feel your touch  
you know i want you so much  
you make all my poems rhyme  
for the longest time

it's early in the morning  
and its starting to get light  
i wanna be beside you  
i wanna feel alright  
and i have never told you why  
well i'll pretend i'm feeling fine  
for the longest time  
i know its time
