You won't ask and I won't tell
Anything about myself to you.
Honey, I'm an open book,
A little hard to read, that may be true,
A little hard to read, that may be true..
...and am I worth your time?

I'm on the ground now, but you won't ask me how I
fell tonight,
but I would tell you everything you want me to tonight.

So come on ask and I will tell
Everything about myself to you.
Honey, I'm an open book,
and you and me are long since overdue,
and you and me are long since overdue..
I think it's worth your time.

I'm on the ground now, but you won't ask me how I
fell tonight,
but I would tell you everything you want me to tonight,
but please wait up for me?

This time I'll draw the line,
and you won't laugh at me,
If I see you start to leave,
please wait up for me,
please wait up for me,
please wait up for me...

I'm on the ground now,
you won't ask me how I fell tonight,
but I would tell you everything you want me to tonight..

please wait up for me..
