Verse 1:

Boy,
I think I'm falling crazy over you,
I'm clueless bout what I'm gon do.
Because you're so far away
Living back in san jose
And I'll be okay.
Without you by my side,
And I promise that I wont lie.
About the things the do,
Because I'm really falling for you.

Chorus:

This is a distant romance and I'm willing to take a
chance,
To be yours, baby.
I'm ready to become dedicated.
To someone like you.
Maybe someday I could be,
The one girl in your dreams.
Because right now,
I think you could be,
The right guy for me.

Verse 2:

Baby,
I wish you could be with me,
And maybe,
I could sweep you offa yo feet.
Lately,
You're always on my mind.
I promise,
That's your really worth my time.

Chorus:

This is a distant romance and I'm willing to take a
chance,
To be yours, baby.
I'm ready to become dedicated.
To someone like you.
Maybe someday I could be,
The one girl in your dreams.

Because right now,
I think you could be,
The right guy for me.

Bridge:

I know that one day,
You will be mine,
And when I'm down,
I know you're my sunshine.
So if your far away,
I'm always here to stay
Who cares if were just so far apart.
I'll try not to be the one to break your heart.
I promise I'll be true,
Because I love you...

Chorus:

This is a distant romance and I'm willing to take a
chance,
To be yours, baby.
I'm ready to become dedicated.
To someone like you.
Maybe someday I could be,
The one girl in your dreams.
Because right now,
I think you could be,
The right guy for me.
