Ten years living in a paperbag
This feedback baby, he's a flipped out cat
He's platinum canary, drinkin' falstaff beer
Mercedes rule and a rented lear

Bottom feeder, insincere
Prophet, lo-fi pioneer
Sell the house and go to school
Get a young girlfriend, daddy's jewel

A change
(A change would do you good)
Would do you good
(A change would do you good)
I think a change
(A change would do you good)
Would do you good
(A change would do you good)

God's little gift is on the rag
Poster girl, posin' in a fashion mag
Canine, feline, Jekyll and Hyde
Wear your fake fur on the inside

Queen of South Beach, aging blues
Dinner's at six, wear your cement shoes
I thought you were singin' your heart out to me
Your lips were syncing, and now I see

A change
(A change would do you good)
Would do you good
(A change would do you good)
I think a change
(A change would do you good)
Would do you good
(A change would do you good)

A change
(A change would do you good)
Would do you good
(A change would do you good)

I think a change
(A change would do you good)
Would do you good
(A change would do you good)

Chasing dragons, with plastic swords
Jack off Jimmy, everybody wants more
Scully and Angel on the kitchen floor
And I'm calling Buddy on the Ouija board

I've been thinking 'bout catching a train
Leave my phone machine by the radar range
Hello, it's me, I'm not at home
If you'd like to reach me then leave me alone

I think a change
(A change would do you good)
Would do you good
(A change would do you good)

Hello it's me, I'm not at home
If you'd like to reach me, leave me alone

I think a change
(A change would do you good)
Would do you good
(A change would do you good)
I think a change
(A change would do you good)
Would do you good
(A change would do you good)

Oh I think a change
(A change would do you good)
Would do you good
(A change would do you good)
Oh I think a change
(A change would do you good)
Would do you good
(A change would do you good)

Oh a change
(A change would do you good)
Would do you good
(A change would do you good)
Oh I think a change
