Took your car, drove to Texas
Sorry, honey but I suspected we were through
And I can't cry anymore

Since I left, feelin' better
'Cause that's what you get
When you stay together too long
And I can't cry anymore

Wouldn't it be good
If we could hop a flight to anywhere?
So long to this life

So much for pretending
'Cause bad luck's never-ending
And now I know that

Money comes in but the fact is
There's not enough to pay my taxes
And I can't cry anymore

Well, I got a brother, he's got real problems
Heroin, no, there's just no stopping him tonight
And I won't cry anymore

Wouldn't it be good
If we could hop a flight to anywhere?
So long to this life

So much for pretending
'Cause bad luck's never-ending
It's never-ending

Well, it could be worse, I could've missed my calling
Sometimes it hurts
But when you read the writing on the wall
Can't cry anymore

And wouldn't it be nice
If we could hop a flight to anywhere?
So long to this life

So much for pretending
'Cause bad luck's never-ending
And too much time I've been spending
With my heart in my hands waiting for time to come
and mend it

I can't cry anymore
I can't cry anymore
Can't cry anymore
I can't cry anymore
I can't cry anymore
