We made love all day  
In our little  
Hide away

But I blew up  
Our love nest  
By making  
One little request

Diamond ring  
Diamond ring  
Don't mean anything  
Diamond ring  
Diamond ring  
Should not  
Mean a thing

You could say I do  
Hide  
Your negative reviews  
You love me you say  
But you can't  
Even face the day

Diamond ring  
Diamond ring  
Don't mean anything  
Diamond ring  
Diamond ring  
Should not change

Some say love is blind  
But I say love  
Is only in the mind

Diamonds may be sweet  
But to me  
They just bring on  
Cold feet

Someday  
You'll be like me

With someone  
Who just wants  
To be free

Diamond ring  
Diamond ring  
Don't mean anything  
Diamond ring  
Diamond ring  
Should not  
Mean a thing
