Hither, thiter, how the mind slithers  
Zealous, rebellious, someone's got to tell us  
Provocative, talkative, alluviously non-stoppative  
Occupied, amplified, disinterested, multiplied.

The essential trip of hereness  
The essential trip of hereness

Distracted, protracted, something we've contracted  
Instigate, masturbate, insulate your mental state  
Tijuana, maÃ±ana, all I wanna is to be some-wanna  
Awareness, squareness, heavenly never-thereness

The essential trip of hereness  
The essential trip of hereness, ah!

Habla, escucha la sica de la espaÃ±ola  
Y tambiÃ©n putas de alocoturas, la apasionante  
Lo que no te agradezca, dice mi amor  
Y solito ya no lloro, dÃ¡game, dÃ¡game...

Chatter, scatter, put your heart on a platter  
Viceroy's, martinis, see and be seenies  
Daring adventures, 45s, the Ventures  
Solicitous, felicitous, cosmopolitan, metropolis

The essential trip of hereness  
The essential trip of hereness  
The essential trip of hereness  
The essential trip of hereness

The essential trip of hereness  
The essential trip of hereness  
The essential trip of hereness  
The essential trip of hereness.
