You can tell me the world is round
And I'll prove to you it's square
You can keep your feet on the ground
But I'll be walkin' on air

You're pretty good at waitin'
While I go runnin' around
Well, that's just the way it is
You know

I, I've got a hole in my pocket
(Aah aah aah)
You give me love and I'll drop it
I guess I threw it away

We stick together
With every day that passes by
But I'm just like the weather
I keep on changin' my mind

Well you can hardly believe it
Every time I turn and say, well
Good mornin', I'm leavin'
And I'll be back in a few days
But that's just the way it is, you know

I, I've got a hole in my pocket
(Aah aah aah)
You give me love and I drop it
I guess I'll throw it away
(Ohh ohh ohh)

Ohh ohh I, I've got a four leaf clover
(Ohh ohh ohh)
I'll throw it over my shoulder
I'm gonna need it someday

When things don't go right, you lead me
Torn up and tied, you free me
When life is strange you take me
Through every change, you never break me

You got a feeling there's a wall that you can never
climb
I try to be there where you are, I try to be on time
But I lose my way

But I, I've got a hole in my pocket
(Ohh ohh ohh)
I'll take your love and I drop it
I guess I'll throw it away

Ohh ohh I, I've got a four leaf clover
(Ohh ohh ohh)
I'll throw it over my shoulder
I'm gonna need it someday
(Ohh ohh ohh)
Ohh ohh ohh

I, I've got a hole in my pocket
(Ohh ohh ohh)
You gave me love and I've lost it
I guess I'll throw it away
Ohh ohh ohh

I, I've got a four leaf clover
(Ohh ohh ohh)
I'm gonna throw it on over
Before the kids to lay

Ohh ohh ohh
I've got a hole in my pocket
I took your love and I dropped it
I guess I threw it away
