They say love keeps on growing  
It's the one thing that I've felt I've always known  
'Cause it wouldn't matter where you're going  
'Cause where you are is where I wanna go

And I know why the heart gets lonely  
Every time you give your love away  
And if you think that you are only

A shadow in the wind  
Rolling 'round but when  
You go and let somebody in  
They might fade away

Tell me why the road keeps turning  
When everything you want is straight ahead?  
And everything I thought worth learning  
Is forgotten when I see your face instead

I know why the heart gets lonely  
Every time you give your love away  
And if you think that you are only

A shadow in the wind  
Rolling 'round but when  
You go and let somebody in  
They might fade away

All you say is so overrated  
Holding on to yesterday  
Along the way it can get  
Too complicated to stay

I know why the heart gets lonely  
Every time you give your love away  
If you think that you are only  
A shadow in the wind, you better think again

I know why the heart gets lonely  
Every time you give your love away  
And if you think that you are only

Flowers in the wind  
Blowin' round the wind  
You let somebody in  
They might fade away, fade away
