All I want to know
Is when you go
Do you think of me?
'Cause I could let you go
But there'd be a hole
Where my heart used to be(e...)

[CHORUS:]

It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
'Cause it's so easy but it isn't right

I saw you today
Then you walked away
And I couldn't breathe
'Cause I know how it would be
The love so real
When you're touching me ooooo

[CHORUS]

Every night I lay here alone
After you leave me and go home
But she doesn't know that we can't let go
And it's hurting me so

It's so easy holding you near
I could melt in your arms and disappear
Loving you baby is breaking my heart tonight
'Cause it's so easy but it isn't right
It's so easy, but it isn't right...No...
It's so easy, but it isn't right.

Baby it's so easy.
