Watch out sister
Watch out brother
Watch our children
While they kill each other
With a gun they bought at Wal Mart discount stores
Welcome to the Hallway, metal detectors just been
installed
Hey, isn't cops and robbers gettin' to be a big bore?
Mary, Mary quite contrary, close your door now
It's much too scary
And you might see somethin' you wish you hadn't seen

Out of sight, out of time, out of patience
And I'm out of my mind
Governor, tell me what does it mean?
Dance children, dance to the beat
Wanna be a hippy 'cause life is so sweet
Well good morning hate
Dance children, dance to the beat
Wanna rock and roll, up and down the street
I got a message
Oh, yeah

Love is a good thing
Love is a good, love is a good
Love is a good thing
Love is a good thing
Love is a good, love is a good
Love is a good thing
Yeah

Politicians on a mission
Build him up, bring him down
For the good of the system
Well we don't like the way you live your life
I got one thing I must express
We try our criminals in the press
Justice is a fadin' light
Mary, Mary quite contrary, close your door now
It's much too scary
And you might see somethin' you wish you hadn't seen

Out of sight, out of time, out of patience
And I'm out of my mind
Governor, tell me what does it mean?
Dance children, dance to the beat
Wanna be a hippy 'cause life is so sweet
Well good morning hate
Dance children, dance to the beat
Wanna rock and roll up and down the street
I got a message
Oh, yeah

Love is a good thing
Love is a good, love is a good
Love is a good thing
Love is a good thing
Love is a good, love is a good
Love is a good thing
Love is a good thing
Love is a good, love is a good
Love is a good thing
Love is a good thing

Love is a good, love is a good
Love is a good, love is a good
Love is a good, love is a good
Love is a good, love is a good
Love is a good, love is a good
Love is a good, love is a good
Aah, oaw

Love, love, love
Love, love, love
Love, love, love
