The world could fall apart  
But you're my heart, my dear  
I will sing this song  
'til we are gone, my dear

How do I keep you from losing your way  
Hope you'll go out and you'll come back someday  
But love is letting go  
And this I'll know  
Is you were mine  
For a time

I could shape your mind  
But why waste time, my dear  
There's so much more to know  
Than I can show you dear

How do I keep you from losing your way  
Hope you'll go out and you'll come back someday  
But love is letting go

And this I'll know

Is you were mine  
For a time

I have held you close  
And breathed your name, my dear  
I was with you then  
And will remain, my dear

How do I keep you from losing your way  
Hope you will find love like I did someday  
But love is letting go  
And this I'll know  
Is you were mine  
For a time
