I woke up and called this morning  
The tone of your voice was a warning  
That you don't care for me anymore

I made up the bed we sleep in  
I looked at the clock when you creep in  
It's six AM and I'm alone

Did you know when you go it's the perfect ending  
To the bad day I was just beginning  
When you go all I know is you're my favorite mistake

Your friends act sorry for me  
They watch you pretend to adore me  
But I'm no fool to this game

Now here comes your secret lover  
She'll be unlike any other  
Until your guilt goes up in flames.

Did you know when you go it's the perfect ending  
To the bad day I'd gotten used to spending  
When you go all I know is you're my favorite mistake  
You're my favorite mistake

Well maybe nothing lasts forever  
Even when you stay together  
I don't need forever after, but it's your laughter won't  
let me go  
So I'm holding on this way

Did you know could you tell you were the only one  
That I ever loved?  
Now everything's so wrong  
Did you see me walking by, did it ever make you cry?  
Now you're my favorite mistake  
Yeah you're my favorite mistake  
You're my favorite mistake
