I left a man
Asleep in the nude
Name in my pocket
With lipstick and rouge
Everything I ever wanted
What a lovely pie you baked
Is anybody listenin'?
Why the painted bird never flies away?

It's just an ordinary mornin'
It's just an ordinary day
And I'm just an ordinary woman
Slippin' away

The walls have been talkin'
About me again
I'm good for a joke but when I awoke
The dream didn't end
Now everytime I turn around
I'm only slippin'
John, is anybody out there?
And the wounded birds still sing
Aow

It's just an ordinary mornin'
It's just an ordinary day
And I'm just an ordinary woman
Slippin' away

It's just an ordinary mornin'
It's just an ordinary day
And I'm just an ordinary woman
Slippin' away

Don't you wanna slip away?
Hey, oh
Now, don't you wanna slip away?
I say now, don't you wanna?
Don't you wanna?
Don't you wanna?
Don't you wanna slip away now?
