If you feel  
You wanna fight me  
There's a chain  
Around your mind  
When something  
Is holding you tightly  
What is real  
Is so hard to find

Losing babies  
To genocide  
Oh  
Where's the meaning  
In that plight  
Can't you see  
That we've really  
Bought into  
Every word  
They proclaimed  
And every lie, oh

[Chorus 1:]  
If we could only get  
Out of our heads  
Out of our heads  
And into our hearts  
If we could only get  
Out of our heads  
Out of our heads  
And into our hearts

Someone's feeling  
On your anger  
Someone's been  
Whispering in your ear  
You've seen his face before  
You've been played before  
These aren't the words  
You need to hear

Through the dawn  
Of darkness blindly

You have blood  
Upon your hands  
All the world  
Will treat you kindly  
But only the heart  
Can understand  
Oh, understand

[Chorus 2: (2x)]  
If we could only get  
Out of our heads  
Out of our heads  
And into our hearts  
Children of Abraham  
Lay down your fears  
Swallow your tears  
And look to your heart

Every man  
Is his own prophet  
Oh, every prophet  
Just a man  
I say all the women  
Stand up, say yes  
To themselves  
Teach your children  
Best you can

Let every man  
Bow to the best in himself  
We're not killing any more  
We're the wisest ones  
Everybody listen  
'Cause you can't fight  
This feeling  
Any more, oh anymore

[Chorus 2 (2x)]
