Walking down the street of dreams  
Eating from the fruits of life  
Tripping out on the smallest things  
Trying to reach the light, trying to reach the light

Pick the key up off the floor  
Put the key into the lock  
Turn the lock, open up the door  
Look at all you've got, look at all you've got

All the sinners and saints  
All you creatures of faith  
Don't need to be afraid  
If you know what I mean  
Let me hear you say

Peace be upon us,  
Peace be upon us,  
Be upon us all  
Peace be upon us,  
Peace be upon us,  
Be upon us all

If we speak in tongues of love  
But we kill in the name of God  
How can we profess to own his name  
And still be so lost and still be so lost

The world will turn even when we're gone  
The earth will host many souls to come  
Who will write the history, tales of  
Wisemen, villains and innocent ones

All you shepherds and sheep  
When you wake from your sleep  
It will be a new day  
If you know what I mean  
Let me hear you say

Peace be upon us,  
Peace be upon us,  
Be upon us all

Peace be upon us,  
Peace be upon us,  
Be upon us all

As-salaamu alykum  
Wa-alaykum assalaam  
Assalaam alykum  
Wa-alaykum assalaam

(The meek shall inherit the earth

Peace be upon us,  
Peace be upon us,  
Be upon us all  
As-salaamu alykum  
Wa-alaykum assalaam  
Assalaam alykum  
Wa-alaykum assalaam  
Peace be upon us,  
Peace be upon us,  
Be upon us all
