Darlin' I'm killed
I'm in puddle on the floor
Waiting for you
To return

Oh, what a trill
Vacillations good Lord
How to tease?
How you leave me to burn?

It's so deadly my dear
The power of wanting you near

Until the day
Until the world falls away
Until you say, there will no more goodbyes
I see it in your eyes
Tomorrow never dies

Darling you won
It's no fun
Martinis, girls and guns
It's murder on our love affair
You bet your life
Every night
While you chase every morning die
You're not the only spy out there

It's so deadly my dear
The power of wanting you near

Until the day
Until the world falls away
Until you say, there will no more goodbyes
I see it in your eyes
Tomorrow never dies

Until the day
Until the world falls away
Until you say, there will no more goodbyes
I see it in your eyes

Until the day
Until the day
Until the day
