I'm so glad you're awake, that you're not like the others  
'Cause they're so straight-laced, they're no fun  
Gosh that's nice, that lingerie  
Makes me feel like, oh I don't know

You're a very pretty thing  
You remind me of someone  
You must have heard  
Some awful nasty things about me, but

What I can do for you  
There's no one else on God's green earth can do  
What I can do for you  
There's no one else on God's green earth can do

Just ask anybody  
They'll tell you that it's true  
There's no one else on earth  
Can do the things that I can do for you

For you, for you, for you  
For you, for you, for you, for you  
For you, for you, for you  
For you, for you, for you, for you  
For you, for you, for you, for you  
For you, for you, for you, for you

You're never gonna make it all by yourself  
You're gonna need a friend, you're gonna need my  
help  
I have so much to offer if you'd just be nice  
If you do what I say and don't make me say it twice

Do you mind if I just rub my hand up thus?  
Come on just my hand, come on just my hand  
You gotta understand, I'm gonna be your man  
I'm gonna be your man, you're gonna need me

I'm gonna make you understand  
Yeah I'm gonna be your man  
I'm gonna be, gonna be your man

What I can do for you  
There's no one else on God's green earth can do  
What I can do for you  
There's no one else on God's green earth can do

Just ask anybody  
They'll tell you that it's true  
There's no one else on earth  
Can do the things that I can do for you

For you, for you, for you  
For you, for you, for you, for you  
No one else on earth  
(For you, for you, for you, for you)  
Can do those things  
(For you, for you, for you, for you)  
I can do, I can do for you  
(For you, for you, for you, for you)  
For you, for you, for you, for you  
For you, for you, for you, for you

Come on, just my hand  
(For you, for you, for you, for you)  
You gotta understand, I'm gonna be your man  
(For you, for you, for you, for you)  
Be your man  
(For you, for you, for you, for you)  
For you, for you, for you, for you
