If I were a carpenter  
And you were a lady  
Would you marry me anyway?  
Would you have my baby?

If you were a carpenter  
And I were a lady  
I'd marry you anyway  
I'd have your baby

If a tinker was my trade  
Would I still find you?  
I'd be carryin' the pots you made  
Followin' behind you

Save my love for loneliness  
Save my love for sorrow  
I've given you my onliness  
Give me you're tomorrow

If I were a miller  
Pull a mill wheel grinding  
Would you miss your colored blouse  
And your soft shoe shining?

If you were a miller  
And a mill wheel grinding  
I'd not miss my colored blouse  
And my soft shoe shining

Save my love for loneliness  
Save my love for sorrow  
I've given you my onliness  
Give me you're tomorrow

If worked my hands in wood  
Would you still love me?  
I'd answer you, yes, I would  
And would you not be above me?

And if I were a carpenter  
And you were a lady

I'd marry you anyway  
I'd have your baby

Save my love for loneliness  
Save my love for sorrow  
Given you my onliness  
Give me you're tomorrow

I've given you my onliness  
Give me you're tomorrow
