Jamie's on the bathroom floor she don't know why
she's shaking underneath the sink can't feel a thing
she'd love to live a life, she's too afraid of failure
with all the voices in her head
and what was that I thought I heard you scream

I know you can feel it
you're already there
asleep underwater
just screaming for air
I know you can feel it
you're already...
don't you know we're freaks and creatures
wake up, I can almost see the light

I think we're alone here, you and I
I think we're alone left wondering why
I think we're alone here, you and I
I think we're alone in the universe tonight

Alex is on the last train home from god knows where
a million miles away from where he thought he'd be
he's got his suit his tie his drink his MTV
he's draining all his life away
you can't escape we're all infected now

I know you can feel it
you're already there
asleep under water
just screaming for air
I know you can feel it
you're already...
don't you know we're freaks and creatures
wake up I can almost see the light

??????Ã§?? ?Ñº?Ó¶???
??????Ã§?? ????
????Ñi????Ë? ???????Ñ§

we're all infected now
