I recognize no method of living
That I know
I see only the basic materials
I may use

If you ask me, I may tell you
It's been this way for years

I play my red guitar
It's the devil in the flesh
It's the iron in my soul

I play my red guitar
It's the devil in the flesh
It's the iron in my soul

I understand you're facing problems
Inside you
A certain difficulty of being
That I know too
You may ask me why do I fail
Just when I'm needed

I play my red guitar
It's the devil in the flesh
It's the iron in my soul

I play my red guitar
It's the devil in the flesh
It's the iron in my soul

I play my red guitar
It's the devil in the flesh
It's the iron in my soul

If you ask me, I may tell you
It's been this way for years
