Give me a sign
Give me a reason to hold on
Iâ€™m holding on
What is a life
A series of moments all in a line
Just passing by

And so I lay here awake
As all the clouds fall away
Then fast asleep in your arms
Wake up wonder where we are
Try to freeze frame the day
Then the light starts to fade
I will scream at the sky
Â€™Til we drink the oceans dry
And so we run

Over the bridge
Back to the place where we were young
What we could have done
What did you find
Here we are naked under God
Lucky God is blind

And so I lay here awake
As all the clouds fall away
Then fast asleep in your arms
Wake up wonder where we are
Try to freeze frame the day

Then the light starts to fade
I will scream at the sky
Â€™Til we drink the oceans dry
And so we run

Give me a sign
Give me a reason to hold on
Iâ€™m holding on

And so I lay here awake
As all the clouds fall away
Then fast asleep in your arms

Wake up wonder where we are
Try to freeze frame the day
Then the light starts to fade
I will scream at the sky
Â'Til we drink the oceans dry
And so we run
