You came apart on me last Sunday morning  
Choked and indicted by the truth  
And it's always tough when there's never enough  
Of the good things coming  
And there was never enough for you  
There was never enough for you

Butterfly  
Where you gone  
I can't see you anymore  
My eyes are taken still too high  
Came down naked on you  
Butterfly  
Where you gone  
I can't feel you anymore  
I can't feel you anymore

Got excited when I thought that we would last  
Twisted inside out 'til we were drowning  
From the first attack we could never go back so we just  
keep on coming  
But I was never enough for you  
Was there ever enough for you  
Butterfly  
Where you gone  
I can't feel you anymore  
My eyes are taken still too high  
Came down naked on you  
Butterfly  
Where you gone  
I can't feel you anymore  
I can't feel you anymore

And if you think you're dying  
Baby well you know I felt the same  
'Cause we were only hoping  
Why's it always feel like, feel like  
It feels like rain

Butterfly  
Where you gone  
I can't see you anymore

My eyes are taken still too high  
Came down naked on you  
Butterfly  
Where you gone  
I can't feel you anymore  
I can't feel you anymore  
I can't feel you anymore  
I can't feel you anymore
