Live hate  
Blind faith  
Breathe deep  
Takes me  
We hold fast  
Won't last  
The night falls  
It's just it's just as well

And if we danced all night  
Fell so deep  
If we could live to tell what our eyes have seen  
We are wolves here  
And so I held you tight  
Dared to confess  
So you can feel my body steal each breathe  
We are wolves here

Taste the electricity  
City unwinds 'til we believe  
And joy has left  
Burns until it's dead

And if we danced all night  
Fell so deep  
If we could live to tell what our eyes have seen  
We are wolves here  
And so I held you tight

Dared to confess  
So you can feel my body steal each breathe  
We are wolves here

Live hate  
Blind faith  
And joy has left  
Burns until it's dead

And if we danced all night  
Fell so deep  
If we could live to tell what our eyes have seen  
We are wolves here

And so I held you tight  
Dared to confess  
So you can feel my body steal each breathe  
We are wolves here
