I think about you,
In my bad moments
You make me smile
You make my day great
This is the reason why I survive
In the trials I face

Refrain:

It takes three seconds to say I love you
Three hours to explain it
And a life time to prove it

Chorus:

I would walk a thousand miles
Just to see you,
I would scream a thousand words
Just so you can hear me,
I would cry a thousand tears,
Just so you would know I care for you
I would sing a thousand love songs,
Just so I could think of you,
I would climb to the top of Mount Everest,
Just so you would know that you are my world,
I would tell you I love you
Just so you would remember

Thought I should write it on a mirror.
Tell you, tell the world
That I have no world
Other than you
That you are my universe, my life
My reason of existence

*Repeat refrain and chorus.

Coda:

I cannot breathe another second without you
Coz I love you
Coz I only dream of you
Coz I can think of you

Coz you are my reality, my truth
That's the truth

*Repeat refrain and chorus

That's the reason.
