1st Verse

I remember when
I was young
And how everything was so innocent
Dinner on the stove
And daddy coming home
From another hard days work

Chorus

And I wish I could go back in Time
To a simpler way of life and I
I guess we all have to grow up sometime
That's just a part of life

2nd Verse

I remember back
To my first kiss
And how nervous I was
So scared to death
And when I turned 16
And dad through me keys
To that 84 Chevrolet
I could barley breath
Repeat Chorus
