"The Last Time"

i tried to believe in all that i am,
but i was the one i could never fool.
now it's time that i admit to my mistakes.
it's not that i want to go like this,
but i was a choice i had to make.
my own self doubt makes me weak and i must say.

[chorus]
to you, i swear it's true.
tonight i say goodbye.
and you don't need to cry,
i promise you tonight was the last time.

there's no reason to shed your tears
and there's no need to pray for me.
everyone has a purpose,
but mine i could never find.

it's not that i want to go like this,
but it was a choice i had to make.
my own self doubt makes me
do what can't be undone.

[repeat chorus]
