"Ticking Timebomb"

I always find a pic by the phone when I find myself
alone, and I write a love song about you.
You ask me if I'm blue and I tell you that I'm happy just
thinking about you.
You've turned my heart around and you let me see a
side of you that no one else has seen.
The lights are turned way down and you're whispering
your thoughts, your fears, your worries and your
dreams.

Do you know I worry on the inside,
I will find out that you were untrue.
My friends all tell me you're a ticking time bomb (he's a
ticking time bomb)
I worry that you'll break my heart in two.
