Hello, let me introduce you to
The characters in the show
One says yes, one says no
Decide - which voice in your head you can keep alive

Even in madness, I know you still believe
Paint me on canvas so I become
What you could never be

I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you to tell me to walk through fire
I dare you tell me
I dare you to

Hello, are you still chasing
The memories, in shadows
Some stay young, some grow old
Come alive, there are thoughts unclear
You can never hide

Even in madness, I know you still believe
Paint me on canvas so I become
What you could never be

I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you to tell me to walk through fire
I dare you tell me
I dare you to

Hello
Hello...
I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you to tell me to walk through fire
I dare you tell me
I dare you to
Hello...
Hello...
I dare you tell me

I dare you to
I dare you tell me
I dare you to
