Here we are in our bests tonight and you stare, but i
cannot look back.

Your tears, they fall down on my face and to my lips.
And your pain i can't feel, but i can taste.

So look good, 'cause this will be the last time you will
see me.

Don't forget, this is how it ends.

Say goodbye for this final time.

Close the door and try to not look back as i sink further
in.

Let me down until i hit.

And you had to know this was killing me

Don't forget.

This is how it ends.
