[Verse 1:]

Give me the wheel, so we can move a little faster.  
I make it real, I'm not a glorious disaster.  
What part of living says you gotta die?  
I plan on burning through another nine lives.  
One more for measure, that's ten for the soul.  
That never sleeps, so are you ready to go?

[Chorus:]

Bloodshot against the clear blue sky.  
Tick tock I think the well is running dry.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
Dead scared cause I'm fearless in the head.  
Bang bang cause the needle's in the red.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
My my!  
My sweet a adrenaline.

[Verse 2:]

Crack in the vision, who said the motivation's all wrong?  
Not your decision, the detonation of a time bomb.  
Which way is up, when your high is low?  
It's time to find it are you ready to go?

[Chorus:]

Bloodshot against the clear blue sky.  
Tick tock I think the well is running dry.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
Dead scared cause I'm fearless in the head.  
Bang bang cause the needle's in the red.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
My my!  
My sweet a adrenaline.

[Bridge:]

My my, just cant lie,  
It's the speed and the sound that I'm dying to try.  
My my, just cant lie,  
It's the love of the chase that created the ride!

[Chorus:]

Bloodshot against the clear blue sky.  
Tick tock I think the well is running dry.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
Dead scared cause I'm fearless in the head.  
Bang bang cause the needle's in the red.  
My my, I can't lie.  
I need a shot again, that sweet adrenaline.  
My my!  
My sweet a adrenaline.
